LANGUAGES

- ENGLISH - FLUENT WRITTEN AND SPOKEN, BUSINESS READY (C1)
- POLISH - NATIVE

I have been a computer hobbyist since my childhood. Over the years I have learned the basics of many IT domains but my main interests lie in Linux system administration, programming with scripting languages like Python and Bash, Networking, Cloud and DevOps.

I am a dedicated person willing to learn and grow with the company and I would like to bring value and knowledge to your table.
Thank you for your consideration.
